

St Joseph's Hoghton | KS2

STOP MOTION ANIMATION Afterschool Club_

At Jam Coding, our goal is to help improve children's digital skills. In this workshop, children will work in teams to come up with their own characters (using plasticine or based on their own Lego characters brought in from home for the sessions). They will create a storyline, before animating it together and unveiling their their work in the final week. Teamwork, creativity, special effects and laughter. At the end of the course, all children will receive a certificate and one team will receive a trophy!
