St Joseph's Catholic Primary School Collective Worship Policy

Written by: Headteacher

Adopted by the Governing Body: September 2018

To be reviewed: Yearly

Next review: September 2019

INTRODUCTION:

We believe that Christian worship in a Catholic school is concerned with giving glory, honour, praise and thanks to God. It is our loving response, in word and action to God's invitation to enter into relationship, made possible through the work of Jesus Christ and the witness of the Holy Spirit. Our Collective Worship actively contributes towards our spiritual and moral development, as a Christian community.

Legal Requirements

We acknowledge the legal requirement that there must be a daily act of worship for all pupils. We also acknowledge that Collective Worship and assembly are distinct activities. They may sometimes form part of the same gathering, but the difference between the two will always be made clear.

The act of worship is not designated curriculum time under regulations and will not be subsumed under any part of the curriculum, including Religious Education.

Inclusion

At St. Joseph's Catholic Primary School we recognise our responsibility to provide a broad and balanced curriculum for all our pupils. All aspects of the curriculum reflect the three principles essential to developing a more inclusive curriculum.

- Setting suitable learning challenges.
- Responding to pupils' diverse learning needs.
- Overcoming potential barriers to learning and assessment for individuals and groups of pupils.

The Nature of Collective Worship

We believe that Christian worship in a Catholic school names and celebrates God's presence in our lives. It is concerned with giving glory, honour, praise and thanks to God. It is our loving response, in word and action, to God's invitation to enter into relationship, made possible through the work of Jesus Christ and the witness of the Holy Spirit.

The Place of Collective Worship in the Life of our School

Worship in this school is more than just a legal requirement. It is an integral part of school life and central to the Catholic tradition.

Collective worship takes into account the religious and educational needs of all who share in it:

- Those who form part of the worshipping community in church;

- Those for whom school may be their first and only experience of church;
- Those from other Christian traditions – or none;
- Those from other faith backgrounds.

It will be an educational activity or experience to which all can contribute and from which all can gain.

The Aims of Collective Worship

We believe that Collective Worship in our school aims to provide opportunity for all pupils and staff:

- To contemplate something of the mystery of God
- To reflect on spiritual and moral issues
- To explore their own beliefs
- To respond to and celebrate life
- To experience a sense of belonging and develop community spirit
- To develop a common ethos and shared values
- To enrich religious experience
- To grow in liturgical understanding and development
- To reinforce prayers which are part of the Catholic tradition
- To reinforce positive attitudes
- To participate fully
- To take time out 'to wonder at', 'to come to terms with' and 'to give worth to.'

Principles

All Acts of Worship in this school will:

- Give glory and honour to God;
- Be a quality activity, fundamental to the life of the school and its Catholic character;
- Develop in pupils skills that enable them to prepare, organise and lead worship rather than always participating or contributing in a token way;
- Give pupils positive liturgical experiences, appropriate to their age, aptitude and family backgrounds in order to prepare them for the liturgical life of the Church. In order to do this, celebrations will:
 - be kept small wherever possible or appropriate to help to personalise the experience;
 - be short and appropriately paced (children's attention span lasts in any one activity for an average of one minute per year of life *i.e., 5-6 mins. for Key Stage 1 and 7-10 mins. for Key Stage 2*);
 - be simple, including a range of experiences offered in a variety of groupings and in a variety of settings.

Collective worship in our school will be:

- properly planned
- adequately resourced
- recorded
- monitored
- evaluated

Organisation

Assembly

A weekly assembly is held for pupils on Monday and Friday. The Monday assembly is led by the Headteacher and sometimes by other experienced members of the staff. The themes of this worship are set out in the half termly plan set out by the RE Coordinator. These themes link with the liturgical year of the church and explore major Gospel and life themes, festivals, beliefs and charity events. The whole school worship will follow the same format as class worship: Gather, Listen, Respond, Go Forth.

The Friday Assembly, whilst being a rewards assembly also incorporates an act of worship. Once a term classes will be invited to help take a leading role in this assembly, following either a theme from their Come See Unit or celebrating a Holy Day. At the Start of each term, the RE coordinator will draw up a rota showing the dates that classes will take a lead in planning and delivering whole school worship.

Class Worship

On those days when pupils do not have an assembly the class teacher facilitates a daily act of worship based on the theme for the week or part of the Come and See unit of work. This act of worship takes place for approximately 5/10 minutes at a time appropriate for each class. The children take an active role in planning, preparing and leading their worship for their classmates, making full use of the Gather, Listen, Respond, Go Forth format as recommended by the Christian Education Department of the Archdiocese of Liverpool.

Guided by their teacher, the children plan:

- how they will gather for worship,
- which scripture will be listened to,
- how pupils in class will respond to what they have heard and
- how they will go forth with what they have learnt.

As well as praying at the start and end of the day, the children say a lunchtime prayer. In addition to this reflective and planned for class worships take place.

Resources

Each class has a Collective Worship Planning Board including-

- planning sheets
- Gather cards
- Response cards
- Scripture (Word)
- Going forth cards

Each class has a box of resources which the children can choose from when delivering their collective worship; these include CD's, candles, pictures, pebbles etc.

Masses

Once a term each class will host a Mass which parents and carers will be invited to. This will take place within school. This is planned for by the class teacher with pupil input.

The end of each term will be celebrated through a Mass at the parish church. Parents and carers are welcome.

Eucharist

Eucharistic celebrations in school will highlight a special occasion and will normally be celebrated with children whose faith development has reached an appropriate stage. The same general principles will apply to planning a Eucharistic celebration as other acts of school worship, therefore opportunities for children to participate will be maximised. When preparing these celebrations reference will be made to the *'Directory for Masses with Children'* as a basis for our practice.

We believe that children are best introduced to prayer, the sacraments and particularly the Eucharist in a step by step approach.

The Co-ordinator for Collective Worship

Mrs M. Ward is the Collective Worship co-ordinator .

Policy Monitoring and Review

This policy is monitored by the Collective Worship Co-ordinator and is evaluated and reviewed by the whole school staff and governors every two years. The Foundation Governors in particular will play a most important role.

Appendix 2

Legal Requirements

We acknowledge the legal requirement that there must be a daily act of worship for all pupils. (This can take place at any time during the school day and can be either a single act of worship for all pupils, or separate acts of worship in school groups.) We understand that simply holding an assembly that includes a prayer, said either by the teacher or everyone present, does not fulfil this requirement. We also acknowledge that collective worship and assembly are distinct activities. They may sometimes form part of the same gathering, but the difference between the two will always be made clear.

The act of worship is not designated curriculum time under regulations and will not be subsumed under any part of the curriculum, including religious education.

In this school, as with any Voluntary Aided School, responsibility for arranging Collective Worship rests with the Governing Body after consultation with the headteacher.

Parents have a right to withdraw their child from Collective Worship. However, given the importance of Collective Worship in a Catholic school, parents and prospective parents will be made aware of the fact that it can never be confined to 'timetabled slots' but may take place in a variety of contexts other than those which are specifically structured.
