Pentecost concludes the fifty days of Eastertide with the last triumphant double *Alleluia* after the Mass has ended.

The Paschal candle takes a less prominent position; not to hide it since it continues to serve as a witness to the new and risen light of Easter. But it will be lit throughout the year at those most significant moments such as baptism, when we enter into new life with Christ and when we depart this earthly life to be with Christ our Light in eternity.

We also return to the green vestments and tabernacle veil of *Ordinary Time* unless there are Saints days or other commemorations. Green is the colour of growth in the Spirit and hope; it lies between the extremes of the abject penance of purple and unadulterated joy of white. The blood of the martyrs is reflected in red and so are the flames of the Holy Spirit who gave them such courage.

Of course there is nothing 'ordinary' about our liturgical *Ordinary Time* since, although we celebrate the coming of the Holy Spirit of Pentecost on this last Sunday of Easter, we also believe that he is always very much alive and active in the world and at every Mass.

Throughout the bible, we hear amazing stories in both *Testaments* of God's presence in the world: in the patriarchs who spoke to Him, the prophets through whom He spoke, Mary at the *Annunciation*, Joseph in his dream, Saul's conversion and the missions that followed with the Spirit tells them where to take the Word of God.

Jesus had promised his followers the Holy Spirit who would teach them everything and give them power to become his witnesses to the ends of the earth.

We are his followers but where is the Spirit in our lives and why doesn't He talk to us as He did to them, we may ask.

Examples of the activity and healing power of the Holy Spirit in the world today may be found in various books, among them *Miracles Do Happen* where Sr Breige McKenna gives witness to its healing power.

Of course, the Holy Spirit is always at work in the world of every age but maybe we need to be more **attuned** to His voice...on a different wavelength, so to speak, from what we are used to with all the general clatter we subject ourselves to or are subjected to.

The prophet Elijah expected to hear the voice of God in the mighty wind which shattered the rocks or in the earthquake and the fire, but God was in none of these. He was in the gentle breeze; the silence, the still small voice. (1 Kings 19:9ff)

How could Mary, St Paul, the Apostles, the Martyrs and Saints or any of Christ's followers define how the Spirit speaks to them, but speak to them He did and it changed their lives. Surely He will speak to us too if we can but enter into the silence of our hearts.

So this Pentecost, let us renew our efforts and make time to be spiritually present and attuned to that *still* small voice of God who continues to speak to us through the Holy Spirit who is our helper and guide as promised by Jesus.

### **This Week's Commemorations**

**Our Lady, Mother of the Church** is a celebration only added to the universal calendar in 2018 which helps us to remember that: *'...growth in the Christian life must be anchored to the Mystery of the Cross; to the oblation of Christ in the Eucharistic Banquet and to the Mother of the Redeemer and of the Redeemed for she is the Virgin who makes her offering to God.'* (From the Decree.)

**The Visitation of Our Lady:** The Gospel of Luke tells us that filled with the joy of the annunciation by the angel and the news that her cousin Elizabeth miraculously was also with child, Mary visits her. As soon as Elizabeth heard Mary's greeting, the child leapt in her womb and Elizabeth was filled with the Holy Spirit. She gave a loud cry saying: 'Of all woman you are the most blessed and blessed is fruit of your womb...' which became the basis for the *Hail Mary*.

**Charles Lwanga and Companions:** 19<sup>th</sup> century Martyrs, the youngest being only 13, all put to death for standing up to the debauchery and murderous acts of the Ugandan King Mwanga; they were tortured and burned alive.

**The Feast of Our Lord Eternal High Priest** reminds us of His Priestly mediation between God and man, heaven and earth and our participation in His ministry.

With Prayers,

Fr Raphael.

## **RIISING COSTS**

For everyone, the cost of living is presently rising at an alarming rate. Energy costs are at an all-time high, and the cost of essentials at the supermarket increases each week. So now is not a good time to appeal for additional help for the church's finances, but sadly, however, it is necessary. The heating bills for the church are rising just as much as in your homes, and the maintenance of the old buildings are a constant drain on the church's income.

So we are asking that if you can do so without making your personal situation much worse, could you consider adding a little extra in your weekly offering or monthly standing order? Just a 10% increase will help offset the much greater costs of electricity, gas and essential maintenance the church faces in the coming months.

If you are setting up or amending a standing order, the account details are: **Account name:** Archdiocese L'Pool Brindle St Joseph's Presb 007, **Account number:** 71544691, **Sort code:** 40-29-12, **Account type:** Business.

Also, if you pay UK income tax, signing up for Gift Aid will cost you nothing, but allow the church to reclaim from the government an additional 20% of your offering.

Another extremely valuable benefit for the church, but one which is often not considered is that of leaving a legacy to the benefit of St Joseph's. If you are considering writing or making amendments to your will, this would be a perfect time to add a clause defining the amount you would like to give to the church. It is very important that any alterations to a will are officially sanctioned to avoid any issues at the time of probate. Thank you.

## **BIDDING PRAYERS – PENTECOST SUNDAY 2023**

Inspired by the Holy Spirit on Pentecost Sunday, let us turn to our loving God for all our needs.

We pray for the Church and for Pope Francis; may he be blessed with wisdom and strength. Lord in your mercy....

Let us pray for the world, that the Holy Spirit may renew the face of the earth and bring peace and unity to all mankind. Lord in your mercy....

Let us pray for our parish community and for our young people preparing for exams. May the Holy Spirit guide and inspire them. Lord in your mercy....

Let us remember in our prayers all who are sick, troubled or distressed. May God's healing spirit strengthen and comfort them. Lord in your mercy....

We ask Our Lady to pray with us as we remember all who have died and gone before us in faith. Let us say together: Hail Mary....

In silence let us pray for our own intentions.

Father, your Spirit renews our world. May he fill us with your love and enable us to do your will. Through Christ Our Lord. Amen.

### **PRAYER FOR THE SICK**

**Priest:** As we thank God for the gift of his Son in Holy Communion, let us remember those of our Parish who are sick or housebound.

**All:** May the body and blood of your Son, which we now send to them through our Eucharistic Ministers, bring them consolation and peace. We ask this in the name of Jesus, Our Lord. Amen.
