In line with the Equalities Act, 2010 and the school's Equality Policy and Public Sector Equality Duty commitment statement, the following objectives demonstrate the school's focus on providing equal and inclusive educational and non-educational services in a non-discriminatory manner for all members of our school community. These objectives have been arrived at following discussions with members of the school community, an analysis of pupil progress and a review of the school's developing population over recent years.

We are committed to meeting our Public Sector Equality Duty to:

- (a) Eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act.
- (b) Advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it.
- (c) Foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

We shall achieve this through

- Implementing required policies and procedures
- Ensuring appropriate training for our staff
- School assemblies and special events
- Our curriculum and interaction with all members of our school community
- Our communications, website and publications
- Our ethos and values
- Appropriate oversight by school leaders and Governors
- Our identified school objectives

Progress against these objectives will be monitored by reports to Governors and will be formally reviewed annually over the next four years. The timescale and procedures for monitoring the objectives may be amended in the light of new guidance or changes to relevant legislation.
