

Commotion in the Ocean

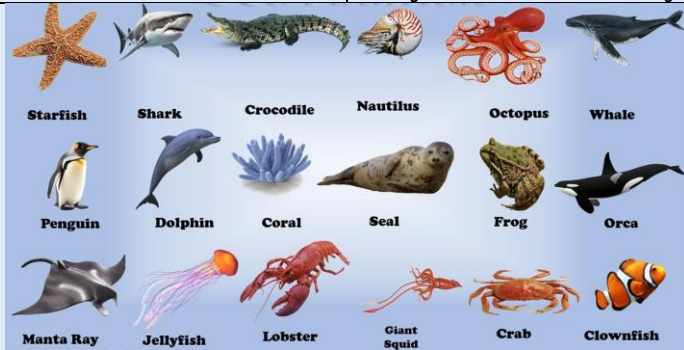

(Physical Georaphy & Human Impact)

Enquiry Question
How is plastic pollution harming our oceans and how can we help to stop it?

What do I already know?

SOME of you already know the types of animals that can be found in the ocean.

SOME of you already know that the ocean is a habitat (home) for some animals as it provides food and shelter for them.

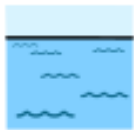

Sticky Knowledge

- I know what the ocean is.
- I know the types of animals that live there.
- I know that there are changes to our oceans e.g plastic pollution and this is harming animals.
- I know ways in which we can help to stop plastic pollution.

Key Learning Journey

1. I know what the ocean is. (Y1) I can identify the world's 5 oceans on a map.
2. I can explain what a habitat is.
3. I can identify the type of animals that belong in the ocean habitat.
4. I can explore the problem of plastic pollution in our oceans and the impact this is having on animals.
5. I can explore ways in which we can help to stop plastic pollution.
6. I can demonstrate my knowledge by answering our unit's enquiry question 'How is plastic pollution harming our oceans and how can we help to stop it?'

ocean - a large body of salt water and is home to many animals.

pollution - something that is causing harm or danger.

habitat - the place where plants and animals live.

shelter - what people and animals use to protect themselves.

Enquiry Question
How is plastic pollution harming our oceans and how can we help to stop it?

Check-In Task - What knowledge do I have to build on and help me with this unit?

Some animals live in the ocean.	T F	
Name 4 animals that would be found in the ocean.		
What is a habitat?		
Animals that live in the ocean are known as sea creatures or sea animals.	T F	

Reception & Year 1
Autumn Two
What would you like to know?

Check-Out Task - What knowledge have I learnt throughout this unit?

The ocean is a large body of salt water and is home to many animals.	T F	
What do animals need in order to survive?		
What is damaging our oceans?		
A lion's habitat would be the ocean.	T F
