

St Joseph's Catholic Primary School  
Together We Love, Learn and Follow Jesus

English

In English, we have been making up our own stories about the 'Next Adventures of the Naughty Bus.' We took photos of this naughty little bus around the classroom. Can you think of any trouble he could get up to at your house? Tell your adult a little story about what adventures he could have? Perhaps making a mess in the kitchen. (I have put a link to the story on our class page.)

# Homework

Date: w/c 15th November 2021

Theme : Journeys and Explorers

Mathematics

Can you draw this part, part whole model and then find all the different ways of making 5? eg

Use dots to help you. Eg

RE

We have started our new topic Waiting  
We talked about waiting for things and how hard it can be.

Advent is a time for preparing for the birth of Christ.

What do you do at home to count down the days to Christmas during advent?

Do you find it hard to wait for Christmas? How do you feel waiting?

Phonics

This week we have been learning the sounds **j**, **V**, **W** and **X**. Practice writing these letters neatly around this page.

Can you draw or stick in pictures of things that start with the sounds **j**, **v**, **w** and end in **x**? Can you label your drawings?

We also learn to read 'monster' words which are words that we can decode and read but they don't make sense. (Children are tested nationally on these in year 1 so it's good to get them used to the concept.) Here are some eggs  
**vux wob jal heb yim pev**

We are making a new reading display in the classroom in our book area. Please send in a photo of you where you have been caught enjoying a book at home or in the garden. Anything goes.... we want to make it a fun display! Upload a photo to Seesaw or send a print in.  
Many thanks.
