

St Joseph's Catholic Primary School
Together We Love, Learn and Follow Jesus

English

In English, we have started the story of Astro Girl.

At end of the story she welcomes her 'mama' back from a space mission. She is really proud of her.

Talk about who makes you proud.

Homework

Date: w/c 22nd November 2021

Theme : Journeys and Explorers

Mathematics

This week we have been taking away.

Can you use objects up to 10 to write number sentences?

Line up 7 conkers, count them

and then remove 2 of them physically.

This can be shown by the number sentence

$$7-2=5$$

Try lots more!

RE

Waiting

This week we have been learning about Advent traditions and how the Advent calendar is used to help us countdown and wait for Christmas.

What Christmas traditions do they have in other countries that are different to ours?

Phonics

This week we have been learning the sounds **y**, **z**, **zz** and **q**. Practice writing these letters neatly around this page.

Can you draw or stick in pictures of things that start with the sounds **y**, **z**, **qu** and end in **zz**? Can you label your drawings?

Can you read and write the tricky words that we have learnt this week? These are words we can't 'read' as they don't sound quite right!

my they was her all

We are starting an exciting new topic linked to our class book about space.

What do you know about space? What can you find out about astronauts?

Perhaps you could draw a picture of what you find out.
