

St Joseph's Catholic Primary School
Together We Love, Learn and Follow Jesus

English

In English, we are enjoying the story of Astro Girl.

We have also been looking at information texts and making fact files about space.

Can you make a short fact file about something that interests you? It could be anything... dinosaurs, your favourite football team or food etc....

Homework

Date: w/c 29th November 2021

Theme : Journeys and Explorers

Mathematics

We have been comparing amounts of objects and saying whether they are more than or fewer than another group.

Can you choose 3 numbers 1-10 and put them in order, after making them with objects e.g. buttons or pasta?

RE

Waiting

This week we have been learning about how Angel Gabriel visited Mary and said, "Do not be afraid!"

Talk to your adult about what else the Angel said and how Mary replied.

Can you draw a picture of Mary and the Angel Gabriel?

Phonics

This week we have been revisiting all the sounds we have learnt so far. Wow – the children have progressed so well with their phonics we are so proud of them. In class now, they are segmenting the sounds to label pictures as well as blending them to read words and short sentences. Fantastic!

Visit BBC Bitesize phonics for some animations about the phase 2 and 3 phonics following the exact order that we have been progressing in.

<https://www.bbc.co.uk/bitesize/subjects/zgkw2hy>

We have been learning some fantastic songs for the Christmas video - 'Little Donkey' and 'I'd like to tell you a story'.

Ask your family, young and old, what their favourite Christmas Carols and songs are. Are they the same ones? What do they remind them of?
